

Computer Course Examination Begins at Government Degree College Zanskar

Zanskar, July 21, 2025 — As part of its ongoing community outreach efforts, Government Degree College Zanskar, in collaboration with NIELIT Leh, has commenced the examination for its short-term skill development course, 'Certified Computer Application, Accounting and Publishing Assistant'.

The course is specifically designed for non-college candidates, offering an opportunity to enhance digital literacy and gain practical skills relevant to employment. A total of 28 students had enrolled for the programme, with 22 candidates appearing for the examination held today in the college's computer lab.

The college administration ensured all logistical and technical arrangements were in place for the smooth conduct of the examination. Officials noted that the course has seen positive community engagement and expressed interest in expanding the initiative.

Following the successful conclusion of this first batch, the college plans to launch a second round of registrations soon.
