

Chief Secretary Inspects Ongoing Works at Geysar Palace and New Secretariat Building

Leh, May 07, 2026: The Chief Secretary of the UT Ladakh, Ashish Kundra, today visited Geysar Palace to inspect the ongoing developmental and restoration works being executed by NHIDCL.

During the visit, the Chief Secretary reviewed the progress of the works on-site and took stock of the implementation status of various components being carried out under the project. He interacted with executing agencies and stressed the importance of maintaining quality standards and ensuring the timely completion of the works.

Thereafter, Chief Secretary Kundra also inspected the ongoing construction works at the new Secretariat building. He reviewed the pace of work and directed the concerned executing agencies to ensure the project is completed within the stipulated timeline while maintaining the required standards and infrastructure quality.

Representatives of the executing agencies, including DGM NHIDCL, Om Kailash, engineers, and contractors, accompanied the Chief Secretary during the inspection visits.
