

Valedictory Session of 6-Day Smartphone Filmmaking Course Concludes Successfully at EJM College Leh

Leh, April 11: The valedictory session of the 6-day Basic Course in Smartphone Filmmaking, organized by the Ladakh Skill Development Mission in collaboration with the Film and Television Institute of India (FTII), Pune, for the students of Eliezer Joldan Memorial (EJM) College, Leh, concluded today with great enthusiasm and active participation.

The course, conducted under the guidance of renowned visual communication professional Shri Ajmal Jami, witnessed the participation of 36 students who underwent intensive training in various aspects of smartphone filmmaking, including storytelling, framing, editing, and production techniques.

The programme culminated with a screening of short films produced by the participants, reflecting their creativity, storytelling abilities, and technical skills acquired during the training. The screening session emerged as a key highlight of the event, showcasing diverse themes and innovative approaches adopted by the students.

Faculty members and guests present on the occasion appreciated the dedication and achievements of the participants and lauded the initiative for providing practical exposure and skill enhancement opportunities to the youth.

The event concluded with the distribution of certificates among the participants, marking the successful completion of the training programme.
