

Orientation Programme on NEP 2020 and Timetable Doubt-Clearing Session Held at EJM College, Leh.

Leh, 10th July 2026: An orientation programme on the National Education Policy (NEP) 2020, along with a timetable doubt-clearing session, was successfully organized for the newly admitted students of EJM College, Leh.

The programme was organized to acquaint the students with the salient features of NEP 2020, including its student-centric approach, flexibility in course selection, multidisciplinary learning, and the academic framework adopted by the college. The session also provided an opportunity for students to seek clarification regarding the academic timetable, course structure, and other related matters, thereby facilitating a smooth transition into college life.

The session was conducted by faculty members of the Time Table Committee, namely Ms. Stanzin Itga, Assistant Professor, Department of Chemistry; Dr. Rinchen Tundup, Assistant Professor, Department of Mathematics; and Dr. Mushtaq Ahmad Bhat, Assistant Professor, Department of Education. The resource persons addressed the concerns raised by the students, explained the implementation of NEP 2020 at the college, and guided them through the academic schedule and institutional procedures.

The programme concluded with an interactive question-and-answer session in which the students actively participated and had their queries addressed. The initiative was well received and is expected to support the newly admitted students in commencing their academic journey with greater confidence and clarity.
