

## Sheep Husbandry Department Nubra Vaccinates 405 Livestock as part of Compassion Month

Nubra, July 23, 2025 – As part of the ongoing Month of Compassion initiative, the Sheep Husbandry Department Nubra successfully conducted a mass vaccination drive against Foot and Mouth Disease (FMD) on July 22 at the Digger highland pasture. A total of 405 livestock were vaccinated during the drive.

The initiative aims to safeguard animal health and well-being in the region, contributing to the broader goals of the Month of Compassion.
