

## Two-day training on Holistic Progress Card concludes at BRC Chiktan

KARGIL, APRIL 02, 2026: A two-day training programme on Holistic Progress Card (HPC) concluded successfully today at Block Resource Centre (BRC) Chiktan.

The training programme was organised with the objective of strengthening the capacity of teachers in adopting holistic and competency-based assessment practices in schools.

Teachers from all Middle and Primary Schools of Zone Chiktan participated in the programme and took part in various interactive sessions, group discussions and practical activities related to the effective implementation of the Holistic Progress Card.

During the training, emphasis was laid on assessing the overall development of students, including their academic performance, co-curricular participation and socio-emotional growth, in line with the broader goals of quality education.

The programme was graced by Zonal Education Officer (ZEO) Chiktan, Ghulam Ali, and Programme Coordinator and Senior Lecturer, Mr. Yahya, who appreciated the efforts of the organisers and the active participation of the teachers.

They also assured continued support for such capacity-building programmes in future to further strengthen the implementation of HPC and improve the quality of education in the zone.

The participants expressed confidence in implementing the Holistic Progress Card effectively in their respective schools for better learning outcomes.

The resource persons for the training included Abdul Aziz, Ansar Hussain, Hassnian, Syed Ahmad Shah and Mohd Sadiq, all teachers from Shakar Chiktan.
