

Vice Chancellor UOL, Prof Dr Saket Kushwaha visits EJM College Leh

Dated: 25 /02 /2025: Honorable Vice Chancellor, University of Ladakh, Professor Dr Saket Kushwaha, visited EJM College Leh and interacted with faculty and students. The visit aimed to strengthen academic relations and discuss key issues concerning higher education in the region.

During the visit, Dr. Kushwaha engaged in insightful discussions with faculty and students, addressing various topics, including curriculum development, research opportunities, and the importance of interdisciplinary studies. The Vice Chancellor emphasized the need for collaboration between institutions to enhance educational standards and provide students with a holistic learning experience.

Professor Kushwaha said, "It is crucial for educational institutions to adapt to the evolving landscape of higher education. Engaging with students and teachers directly helps us understand their needs and aspirations better. Our commitment to fostering academic excellence is unwavering." The VC also announced the introduction of PG courses in the EJMC Leh and GDC Kargil. The Vice Chancellor also toured the college facilities, including the library and laboratories.

The interaction fostered an open dialogue, with Student Council EJM College, highlighting the issues of the students and sharing their perspectives and ideas on improving academic programs and campus facilities.

The Vice Chancellor's visit also included a tour of EJM College's facilities, showcasing the commitment to providing a conducive learning environment.

Principal Dr Sameena Iqbal presented the welcome speech and said that "Honorable Vice Chancellor's visit and insights will undoubtedly contribute to our ongoing efforts to enhance our academic offerings and better serve our students. Dr Kushwaha's expertise would take Higher Education in Ladakh to newer heights and also improve the administrative and academic environment of the college." She also gave a brief overview of the courses being offered in the college.

Director Colleges Professor Tashi Ldawa, Assistant Registrar UOL, Nawang Tundup, Dean Academic Affairs Dr Tashi Joldan were also present during the visit.
