

23rd PM-KISAN Installment Release Event Conducted at Khaltse.

Khaltse, June 20, 2026: The Agriculture Department, Khaltse, successfully organized the 23rd PM-KISAN Installment Release Event at Khaltse, with the participation of PM-KISAN beneficiary farmers from the subdivision.

The programme commenced with an awareness session on the Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) Scheme, launched by the Government of India in February 2019 to provide income support to eligible farmer families. Under the scheme, financial assistance of ₹6,000 per year is provided to each eligible farmer family in three equal installments of ₹2,000 each. The assistance is transferred directly to beneficiaries' bank accounts through the Direct Benefit Transfer (DBT) system, enabling farmers to meet expenses related to seeds, fertilizers, and other agricultural inputs.

The participating farmers joined the live webcast of the 23rd PM-KISAN Installment Release Programme, during which the Hon'ble Prime Minister of India, Shri Narendra Modi, addressed farmers across the country and released the latest installment under the scheme. Participants attentively watched the live telecast and gained valuable insights into various government initiatives aimed at enhancing farmers' welfare and promoting agricultural development.

An on-the-spot verification of PM-KISAN beneficiaries was also conducted by departmental officials. Farmers were assisted in checking their beneficiary status, installment details, Aadhaar linkage, e-KYC status, and other scheme-related information. Necessary guidance and support were provided to beneficiaries facing issues related to registration or receipt of installments.

The event concluded successfully with active participation from the farming community. The programme enhanced awareness about the PM-KISAN Scheme and helped ensure that eligible farmers continue to receive timely benefits under this flagship initiative of the Government of India.
