Khaltsi, March 22, 2025: A zonal-level celebration of World Water Day was successfully organized under the supervision of Ms. Sonam Dolkar, Zonal Education Officer (ZEO) Khaltisi.

This year's theme, "Glacier Preservation," drew enthusiastic participation from students of Government Higher Secondary School Khaltisi, as well as other high, middle, and private schools.

A painting competition was held, categorized into three groups: classes 1-5, classes 6-8, and classes 9-11. A panel of judges selected the best paintings, which have been forwarded to the Chief Education Officer for consideration of cash prizes.
