

Two-Day Basic Rock Craft Training Successfully Concluded at KBS

Drass, October 8, 2026: A two-day Basic Rock Craft Training for students of the Adventure Travel Guide – High Altitude course at Government Degree College Drass was successfully completed at Kargil Battle School (KBS) from 7th to 8th October 2026.

The training provided students with practical exposure to rock climbing, rope techniques, rappelling, safety procedures, use of climbing equipment and basic risk management, strengthening their skills for careers in adventure tourism and outdoor activities.

The college expressed its sincere gratitude to Col. Vikas Chauhan, KBS Army Camp, and Mr. Yam Rana, Training JCO, for their valuable guidance, technical support and encouragement throughout the training.

Principal, GDC Drass, Mr. Mohammad Nasir-ul-Mehdi Shabani, praised the initiative, stating, “The collaboration with the Indian Army provides our students with invaluable practical exposure and professional training, preparing them for careers in adventure tourism, outdoor leadership and related fields.”

Mr. Suhail Ahmad Bhat, Trainer/Instructor, Adventure Travel Guide – High Altitude, highlighted the importance of hands-on training, stating, “Such field-based training helps students develop technical skills, confidence, discipline and safety awareness, while bridging the gap between classroom learning and the practical demands of the adventure tourism profession.”

The successful completion of the training reflects GDC Drass’s commitment to experiential learning, skill development and creating employment and entrepreneurship opportunities in adventure tourism.
