

Principal GDC Zanskar Reviews Campus Development Projects

Zanskar, July 14, 2025 – Dr Amjad Ali Abbasi, the newly appointed Incharge Principal of Government Degree College (GDC) Zanskar, conducted an inspection of ongoing infrastructure projects on the college campus. He was accompanied by officials from the Public Works Department.

During the visit, Dr Abbasi was briefed on the status of several construction works. The Indoor Sports Complex and the Science Block were reported to be nearing completion. He was also updated on the progress of two blocks of the students' hostel, a non-gazetted residential quarter, and gazetted residential quarters (Block A and B), all of which are under active development.

Expressing satisfaction with the pace and quality of the ongoing work, Dr Abbasi also visited the academic and administrative blocks to assess the overall work environment and functioning of the institution.

Following the inspection, he convened a meeting with faculty members to discuss various academic and administrative matters in detail.
