Press Release Leh, February 6

A live screening of *Pariksha Pe Charcha* was successfully organized on **6th February at 10:00 AM** at the **DIET Leh Hall**. Around **50 students from different schools** participated in the programme with great enthusiasm.

The session aimed to guide students on exam preparation, stress management, and maintaining a positive mindset during examinations. Students attentively followed the live interaction and found the discussion highly motivating and informative.

The programme was graced by the presence of Ms. **Banu Prabha, Secretary, School Education**, who extended her **best wishes** to the students and **encouraged them by boosting their morale**. She motivated the students to remain confident, disciplined, and focused while preparing for their examinations.

The event was further enriched by **Padma Chosdon**, who had earlier attended *Pariksha Pe Charcha* with **Narendra Modi**, Hon'ble Prime Minister of India. She shared her personal experiences with the students and inspired them by highlighting the importance of self-belief, perseverance, and a positive attitude.

The session concluded on an encouraging note, leaving the students motivated and better prepared to face their upcoming examinations.
