

## **Khidmat-e-Awaam Programme Held at Barsoo; Issues Redressed, Directions Issued**

Barsoo, March 25, 2026: The Khidmat-e-Awaam programme under the initiative “Prashasan Gaon Ki Ore” was organized at Panchayat Halqa Barsoo, where district administration officials reached out to the public and addressed various grievances on the spot.

During the programme, residents raised multiple issues including footbridge repair, and road cleanliness. The concerned departments were directed to take immediate action for early redressal.

A series of directions were issued during the proceedings. The Sub-Divisional Magistrate (SDM) Sankoo, Mohd Saleem Wazir, directed the Block Development Officer to take up the repair of the footbridge on priority. The Executive Engineer, Suru Valley Division, assured immediate clearance of accumulated malba on Patoo Road to restore smooth connectivity.

Concerns regarding damaged and hanging electrical wires and poles were also highlighted by villagers. The SDM instructed the Junior Engineer, Power Development Department, to carry out necessary repairs promptly to ensure public safety and uninterrupted power supply.

On the issue of agricultural support, villagers demanded that seed distribution be conducted within the village. The Nambardar assured full cooperation, including provision of storage facilities and logistical support for smooth distribution.

The SDM also stressed the importance of regular field visits by officials and directed all departments to maintain close coordination for effective service delivery and timely resolution of public grievances.

A medical camp was organized on the occasion, where free medicines were distributed and health check-ups including blood pressure and sugar tests were conducted. Departments such as Agriculture, Horticulture, Revenue, PHE, and Rural Development also informed the public about various beneficiary-oriented schemes.

Speaking on the occasion, SDM Mohd Saleem Wazir highlighted that several government services, particularly revenue-related services, are now available online, making access easier for the public. Certificates and other services were also distributed among beneficiaries.

Later, the SDM inspected Ayushman Arogya Mandir Barsoo to review staff availability and functioning. He also visited Government Middle School Patoo and Government Higher Secondary School Barsoo to assess educational infrastructure.

During the Sham-e-Awaam session, the SDM briefed the public on the actions taken and urged villagers to actively participate in the implementation of government schemes. He encouraged people to avail maximum benefits from various welfare programmes.

The programme was attended by Councillor Barsoo, Executive Engineer R&B, Tehsildar Sankoo, Block Veterinary Officer, and other officials.

The Councillor and local residents appreciated the initiative, thanking the district administration for providing doorstep services and expressing hope that such outreach programmes would continue in the future.
