

PM Shri Govt. High School Poyen organizes awareness program on substance abuse

Kargil, March 25, 2025: In line with the directives issued by the Education Department, UT Ladakh, PM Shri Govt. High School Poyen today organized a day-long awareness program on substance abuse.

The event witnessed participation from students, staff, villagers, including SMDC and VEC members. Various speakers, including students, teachers, and guests, highlighted the harmful effects of drug abuse, urging students to stay away from negative influences.

A thought-provoking skit on the detrimental impact of drug abuse was performed by the students, earning appreciation from the audience.

In his address, Headmaster Ashraf Ali Sagar encouraged students to focus on their studies and utilize their spare time productively. He also warned about the dangers of drug addiction and advised students to avoid bad company.

The program concluded with students and staff taking an oath to combat drug addiction and substance abuse, pledging to work towards a drug-free society.
