

Director Sheep Husbandry Department UT Ladakh Inaugurates Newly Established DSHO Office and Staff Quarter at Alpine Goat Farm, Hunder

Nubra District, October 12, 2026:

The Director, Sheep Husbandry Department, UT Ladakh, Dr. Iftikhar Hussain, was warmly welcomed by Dr. Tsewang Morup, District Sheep Husbandry Officer (DSHO), Nubra, along with the departmental staff.

The Director inaugurated the newly established office of the District Sheep Husbandry Officer in Nubra District and the staff

quarter at Alpine Goat Farm, Hunder, in the presence of Shri Tsering Angchuk, Former Deputy CEC.

Following the inauguration, Dr. Tsewang Morup, DSHO Nubra, addressed the gathering and briefed the Director on the functioning of the newly established office, ongoing departmental activities and livestock development programmes being carried out in the district.

Thereafter, Shri Tsering Angchuk, Former Deputy CEC, addressed the gathering and highlighted the importance of the Sheep Husbandry Department in promoting livestock development in the region. He also appreciated the department's efforts to improve livestock-related facilities and services.

A cultural programme was presented, showcasing the rich cultural heritage, traditional customs and vibrant traditions of the Nubra region.

The Director reviewed the ongoing departmental activities and emphasized the importance of punctuality, discipline and dedication in the performance of official duties. He directed the officers and officials to remain active in the field, maintain regular contact with field staff and ensure the timely delivery of veterinary and livestock services.

He further stressed the proper implementation of departmental schemes and programmes to ensure that their benefits reach the intended beneficiaries. He urged all officers and officials to work with dedication and sincerity to strengthen departmental activities and improve livestock services across Nubra District.

The Director, accompanied by Dr. Tsewang Morup, DSHO Nubra, visited the villages of Bogdang, Turtuk and Thang. During his visit to Bogdang, he visited the winter grazing area, where local people keep their animals during winter. Dr. Tsewang Morup also requested the establishment of a predator-proof corral to protect livestock from wild animal attacks. On the second day, the Director also inspected the newly constructed building of the Para-Veterinary Centre, Sheep Husbandry Department, Bogdang.

During his visit to Turtuk, Shri Ghulam Mehdi, Former Executive Councillor, LAHDC Leh, called on the Director and appreciated the efforts of the Sheep Husbandry Department towards promoting livestock development and strengthening services for the benefit of local communities.
