

Back to School Programme Celebrated at Government Primary School Dipling.

Khaltse, March 20, 2025: The Back to School programme was celebrated with great enthusiasm at Government Primary School Dipling on March 19, 2025, marking the end of the winter vacation. The event was organized by the Headmaster and teaching staff to welcome students back to school.

During the celebration, the Headmaster and teachers warmly greeted the students with traditional Khatags along with biscuits and chocolates, making their return to school even more special.

Similarly, members of the School Management Committee (SMC) and parents extended a warm welcome to both teachers and students with white scarves (Khatags) and traditional tea. Despite the heavy snowfall, students displayed great enthusiasm and excitement to be back in school.

One of the most remarkable aspects of this year's reopening was the dedication of the teaching staff. Due to the lack of road connectivity, teachers traveled to Dipling village by helicopter on March 18, 2025, ensuring they could resume their duties without delay. Their commitment to providing uninterrupted learning opportunities for students is truly commendable.
