Orientation Programme and Farmers' Training Camp on Natural Farming Held at Liktsey

The Department of Agriculture, Leh, organized an Orientation Programme and Practical Demonstration on Natural Farming along with a Farmers' Training Camp under the National Mission on Edible Oils and Oilseeds at Liktsey village today.

Farmers from Liktsey, Tukla, and Tarchit villages participated enthusiastically in the programme, which aimed to promote sustainable agricultural practices and enhance awareness about natural farming techniques.

The training session was led by Mr. Mohd. Ramzan, SDAO Leh, with technical guidance from key resource persons — Mr. Phuntsog Tundup, Head KVK Nyoma; Mrs. Tashi, Scientist KVK Nyoma; Miss Tsering Dolker, AEO Leh; Miss Stanzin Idong, JAEO Leh; Mrs. Rinchen Angmo, AEO Nyoma; and Mr. Hashim Akhoun, JAEO Keray.

The programme included detailed demonstrations on natural input preparation, soil health management, and sustainable methods for oilseed cultivation. Farmers also shared their experiences and discussed challenges and opportunities for adopting natural farming in the region.
