### **ZEO Nubra Visits Schools in Taksha, Arano, and Kubet to Review Academic Activities**

Nubra, October 31, 2025: Zonal Education Officer (ZEO) Nubra, Sonam Dolkar, conducted an inspection visit to various schools in Nubra, including Middle School Taksha, Middle School Arano, Primary School Arano, and Middle School Kubet, to review ongoing academic activities and assess overall school functioning.

During her visit to Middle School Taksha, the ZEO observed that students were actively engaged in revision for the Term II examinations. She appreciated the efforts of the School Management Committee members and parents for their thoughtful contribution of firewood, ensuring the smooth conduct of winter classes.

At Middle School Arano, ZEO inspected the classrooms and interacted with teachers. She noted that the syllabus had been fully covered and that revision work and class tests were being conducted effectively.

Further, during her visit to Primary School Arano, she reviewed the classroom environment and instructed the teachers to display important notices, circulars, and Samagra Shiksha guidelines issued by the department on the school notice board to enhance communication and awareness.

At Middle School Kubet, ZEO interacted with the Village Education Committee Chairman, SMC members, parents, and teachers who were present during the visit. She commended the renovation work of the Cluster Resource Center carried out by the VEC and SMC members, appreciating their dedication and collective efforts to support teachers and improve the quality of education.

ZEO emphasized the need for continued collaboration between teachers, SMCs, and VEC members to further strengthen the educational ecosystem in Nubra and ensure sustained progress in the learning environment.
