

Director Sheep Husbandry Visits Pashmina Dehairing Plant in Leh

Leh, September 10, 2026: Dr. Iftikhar Hussain, Director, Sheep Husbandry Department, UT Ladakh, along with Dr. Niyaz-ul-Hussain, Joint Director, Sheep Husbandry Department, UT Ladakh, and Shri Shishir Tyagi, Additional Joint Director, Wool Research Association, Thane, today visited the Pashmina Dehairing Plant in Leh.

During the visit, the dignitaries inspected the ongoing pashmina dehairing and processing operations and took stock of the functioning and progress of the plant.

Dr. Iftikhar Hussain also reviewed the ongoing construction and other related works at the plant. He directed the concerned officials to closely monitor the progress of the works and ensure their timely completion while maintaining the required quality standards.
