

Kargil Schools, Religious Institutions Team Up to Fight Drug Abuse Through Awareness Program

Kargil, June 18, 2025 – The District Drug Addiction Centre (DDAC) Kargil, in collaboration with IKMT, JUIAK, and the Department of Education Kargil, organized an important awareness program on drug abuse and its prevention at Munshi Habibullah School, Kargil.

Project Coordinator Shamma Zohra of DDAC Kargil delivered an introductory address, highlighting the rising concerns of drug abuse in the Kargil district. She also informed the audience about the free treatment and support available at the DDAC Centre for those struggling with addiction, encouraging people to seek help and stay away from harmful substances.

Sheikh Nissar, from JUIAK, gave an impactful talk to the students, focusing on the causes and dangers of drug abuse. He urged everyone to be aware of their responsibilities and work together to stop the spread of this issue in our communities.

Shiekh Bashir Shakiri, representing IKMT Kargil, shared his thoughts on the importance of discipline and strong moral values. He explained how drug abuse threatens the wellbeing of society and called upon the students to uphold positive values in their lives.

The program ended with a heartfelt vote of thanks by Principal of Munshi Habibullah School. He expressed deep gratitude to DDAC, IKMT, JUIAK, and the Department of Education for their efforts in guiding the younger generation toward a healthier and more responsible future.
