

Executive Councillor Altaf Hussain and CEO Kargil Sonam Wangchuk Visit Government High School Hardass to Review Educational Facilities

Kargil, October 13: Executive Councillor, LAHDC Kargil, Shri Altaf Hussain, along with Chief Education Officer (CEO), Kargil, Shri Sonam Wangchuk, visited Government High School Hardass to review the academic infrastructure, hostel facilities, and remedial classes being conducted for students.

During the visit, they interacted with students and teaching staff to assess the academic environment, understand the availability of essential facilities, and review the progress of remedial classes. They encouraged students to remain focused on their studies while also participating in recreational activities for their overall development.

The Executive Councillor also directed the concerned contractor to ensure the timely completion of the ongoing new High school building of Hardass emphasizing that the work should be completed within the stipulated timeframe so that students do not face any inconvenience in their academic activities.

Subsequently, CEO Kargil, Shri Sonam Wangchuk, visited High School Kaksar to review the newly developed school infrastructure and assess the academic and hostel facilities. He interacted with students and staff members to take stock of the educational environment and discuss matters related to academic progress and student welfare.

The visits reflect the commitment of the LAHDC Kargil and the School Education Department towards strengthening educational infrastructure, improving hostel facilities, and ensuring a conducive learning environment for students, particularly in remote and border areas of the district.
