

His Eminence Skyabje Choskong Palga Rinpochey Addresses Students at Govt. Model School Liker on Drug and Alcohol Abuse.

Khaltse, August 31, 2026: Govt. Model School Liker was deeply honoured and blessed today by the gracious presence of His Eminence Skyabje Choskong Palga Rinpochey, who visited the school and addressed students, staff, and members of the local community on the vital issue of drug and alcohol addiction.

In his insightful and inspiring address, His Eminence emphasised the importance of having two primary aims in life—education and discipline. He encouraged students to pursue knowledge while simultaneously cultivating good values, self-discipline, self-control, and responsible behaviour.

Urging everyone to firmly say “NO” to drugs and harmful alcohol practices, His Eminence highlighted the importance of making positive and responsible choices for a healthy, purposeful, and meaningful life. He stressed that young people have a vital role to play in building a healthy and drug-free society.

His Eminence also spoke at length about the values of compassion, kindness, forgiveness, and patience, encouraging students to respect and care for their parents, teachers, elders, and fellow beings. He advised them to control anger, develop patience, maintain inner peace, and lead their lives with wisdom, humility, and compassion.

The school expressed its deep gratitude to His Eminence for sparing his valuable time to visit the institution and for sharing his precious blessings, guidance, and words of wisdom with the students and the community. His inspiring message is expected to leave a lasting positive impact on the students and encourage them to lead disciplined, responsible, and meaningful lives.
