PRESS RELEASE

**Workshop on Leveraging Digital Technology for Master Trainers Conducted at DIET Leh
Leh, UT Ladakh | February 20, 2026:**

The District Institute of Education and Training (DIET), Leh successfully concluded a **four-day Workshop on Leveraging Digital Technology for Master Trainers of the Education Department, District Leh** held from **17th to 20th February 2026**. The workshop witnessed participation of **more than 20 teachers** from various **government and private schools across Leh district**.

The training programme was conducted by **Mr. Dorjay Wangchuk, Senior Lecturer (Computer Science)**, who facilitated practical and interactive sessions aimed at strengthening digital pedagogy and technology-enabled teaching practices among educators.

During the workshop, participants were trained on the following major themes:

1. Introduction to Digital Education Ecosystem
2. Digital Devices and Classroom Integration
3. Online Teaching-Learning Tools and Platforms
4. Creating Digital Lesson Plans
5. Assessment and Evaluation using Digital Tools
6. Collaborative Learning using Technology
7. Learning Management Systems (LMS) in School Education
8. Open Educational Resources (OER) for creating and curating e-Content for Teaching and Learning
9. Staying Safe in Digital Space
10. Futuristic Leadership – Leadership in School Education
11. Assistive Technologies for Children with Special Needs
12. Digital Content Sharing, Storage and Best Practices

The workshop aimed to develop a pool of master trainers who can further support and train teachers in their respective schools, thereby strengthening technology integration in classroom teaching. Participants appreciated the hands-on approach and the practical relevance of the sessions to present-day educational needs.

In the concluding session, **Principal DIET Leh, Mr. Mirza Mehdi** delivered the vote of thanks and appreciated the efforts of the resource person and participants for their active involvement and commitment towards improving digital education practices in the district.

DIET Leh reiterated its commitment towards empowering educators with digital competencies and promoting quality education through effective use of technology in schools across the district.
