

GDC Kargil Principal Reviews Skill Centres, Assesses Infrastructure and Student Needs

Kargil, August 16, 2026: Dr. Amjad Ali Abbasi Principal, GDC Kargil, visited the Graphic Design, Housekeeping, Beauty Therapy and Yoga Skill Centres to review their functioning, infrastructure, equipment and facilities.

During the visit, the Principal interacted with the students and skill instructors to understand their challenges, needs and suggestions. He encouraged students to share their ideas for improving the Skill Centres and discussed measures for upgradation of equipment, infrastructure and training facilities.

The Principal also shared his suggestions for further strengthening the skill programmes and assured that the necessary requirements would be considered for the overall improvement of the centres and better learning opportunities for students.
