

SIDCO Conducts Loan Awareness Camp at Tangtse

Tangtse, June 05, 2026: Sindhu Infrastructure Development Corporation (SIDCO) successfully organized a Loan Awareness Camp at the Community Hall, Tangtse, to create awareness about various loan schemes and financial assistance opportunities available through the Corporation.

The camp was conducted by Senior Manager, SIDCO, Mr. Stanzen Passang, along with his team, who briefed the participants on various loan schemes, including educational loans, self-employment loans, and other financial assistance programmes aimed at promoting entrepreneurship and livelihood generation.

During the programme, participants were informed about the eligibility criteria, benefits, and application procedures of different SIDCO schemes. The team also addressed queries from the public and guided interested applicants regarding the loan application process.

The camp facilitated on-the-spot registration for prospective beneficiaries, enabling them to initiate the process of availing financial assistance under SIDCO schemes.

The programme witnessed active participation from local residents, and aspiring entrepreneurs, reflecting a strong interest in the financial support initiatives being provided by SIDCO for the socio-economic development of the region.
