

**Wildlife Week- 2025 is being observed in the UT of Ladakh with Conservation and Community Engagement activities.**

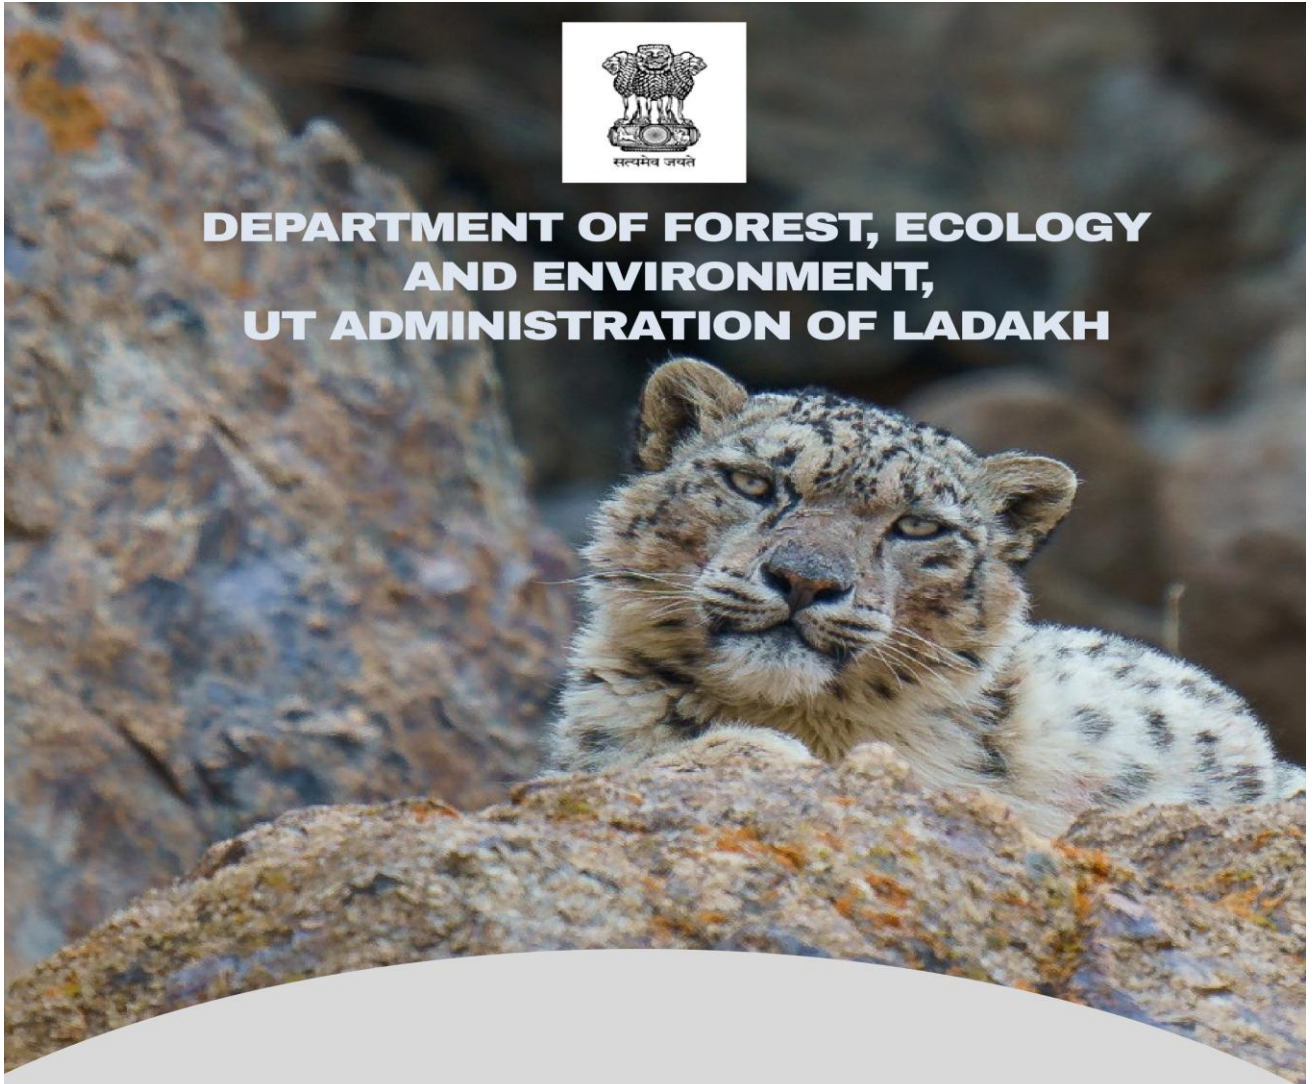

The Department of Forest, Ecology and Environment, UT Ladakh, has been conducting a series of activities aimed at raising awareness, strengthening community participation, and promoting human-wildlife coexistence under the banner of Wildlife Week -2025.

The activities include Cleanliness Drive along the Suru River in Kargil, school-level drawing and painting competitions on the theme "Say No to Plastics" and "Living with Wildlife." , awareness programmes and capacity-building sessions for field staff and communities on managing human-wildlife conflicts, plantation drives with native species, promotion of Mission LiFE, etc. The detailed programme for the Wildlife Week activities from 2–8 October 2025 is given below.

The Wildlife Week underscores and highlights the commitment to conserving the unique wildlife and fragile ecosystems of Ladakh through inclusive approaches.
