

Secretary PWD Reviews Airport Road Projects for Aesthetic Enhancement

The Secretary, PWD conducted a visit to the Airport Road to inspect the ongoing projects and review the already sanctioned modifications aimed at enhancing its aesthetic appeal and improving the overall environment.

During the visit, the Secretary emphasized the need for timely execution of the sanctioned works and directed the concerned agencies to undertake necessary interventions to improve the visual appearance and overall surroundings of the road corridor.

The Secretary was accompanied by the Chief Engineer, PWD; Executive Engineer, Division Leh; Officer Commanding (OC), BEACON BRO; along with other officers and officials who were present during the inspection.
