

EJM College Creates History with Over 90% Overall Pass Percentage in Sixth Semester University Examination

Leh, July 10, 2026: Eliezer Joldan Memorial (EJM) College, Leh, has achieved a remarkable academic milestone with an overall pass percentage of 93.61% in the Sixth Semester University Examination results declared on 10th of July 2026. This is a proud moment for the institution and the entire academic community.

Professor Stanzin Yangdol, Principal of the college, extended heartfelt congratulations to all the successful students for their outstanding performance and appreciated their dedication, perseverance, and commitment to academic excellence. The achievement reflects the hard work of the students, the unwavering guidance and support of the faculty members, parents and the consistent efforts of the college administration in fostering a conducive learning environment. The collective efforts of all stakeholders have played a significant role in this historic accomplishment.

Expressing confidence in the students' future endeavours, the Principal wished all graduating students continued success in higher education, competitive examinations, research, and professional careers. The college remains committed to maintaining high academic standards and nurturing future generations of responsible and competent citizens.

The College administration, faculty, and staff of EJM College once again congratulate all the successful students and wish them a bright and prosperous future.
