

## **EC Punchok Tashi pays surprise visit to hostel, reviews CBSE exam preparations**

Kargil, March 05, 2025: Executive Councilor for RDD, Forest, and Information, LAHDC Kargil, Er. Punchok Tashi, on Tuesday, paid a surprise visit to a hostel where students of Higher Secondary and High Schools from Zanskar Sub Division are attending remedial classes for the ongoing CBSE Class 10th and 12th examinations.

EC Tashi interacted with the students during the visit and inquired about their exam preparations. The students appreciated the administration and LAHDC Kargil for running such hostels in this remote region during the harsh winter. They also shared their experiences in the hostel and provided feedback on the quality of education at the tuition center.

The hostel and school in charge raised concerns about the availability of drinking water and other essential facilities, along with the issue of remuneration for the cooks engaged by the students' parents.

In response, EC Tashi directed the PHE Department to ensure the provision of drinking water through tankers. He further assured both staff and students of all possible assistance from LAHDC Kargil.

Commending the efforts of the Principal, Headmasters, and teaching staff, EC Tashi acknowledged their dedication in maintaining the hostel and supporting the students.

He expressed optimism that the results of both Class 10th and 12th students, including first-time and repeat exam takers, would show improvement compared to the previous year. The Zonal Education Officer, Zanskar, accompanied EC Tashi during the visit.
