

## **SP Smart School excels in 10th Class Board results**

- **61 students share top 10 positions with 97 score above 97% marks**
- **145 score above 95%, 248 cross 90% mark; 431 students get distinctions**

**Jammu, April 21:** In a display of its exceptional education model, which lays emphasis on research, and a comprehensive approach to student development, SP Smart School has once again demonstrated its excellence, with its students posting an impeccable tally of accolades in the Class 10th results announced on Tuesday.

The success story of decades was repeated by the students from the Exchange Road, Sarore and Sidhra campuses of SP Smart School in the class 10th result which was announced by the Jammu and Kashmir Board of School Education today.

A total of 248 students of the school secured 90% or above marks in the results with 145 students scoring 95% or above marks.

In total 97 students of the school have secured 97% or above marks, with Shanaya Sheen, Ipshita Thakur among the students scoring an impressive 99.8% and 99.6% marks respectively and secured 1st and 2nd rank respectively in the overall result.

Moreover, a total of 431 students have proudly finished with 75% (Distinction) or above, reaffirming the institution's reputation as the leading educational choice in the union territory of Jammu and Kashmir.

"The remarkable results in the Class 10th examination reflect the unwavering dedication of our students and the hard work of our teachers," stated Shivang Satya Gupta, CEO of SP Smart School.

The top-performing students have not only earned personal accolades but have also brought great pride to SP Smart School and the entire region of Jammu and Kashmir.

"This year's impressive results further illustrate our commitment to academic excellence and the relentless pursuit of quality education," Gupta added.

"The students' exceptional performance is a testament to their perseverance, determination, and the invaluable support from both teachers and parents," he added.

It may be mentioned here that the revolutionary SP Smart Schooling System has been implemented in 4 branches of the School across Jammu, with its campuses in Exchange Road, Sarore, Sidhra and a girls only campus at Udhaywala Bohri.

With the implementation of SP Smart Schooling System in 2000-01, the school has shown remarkable results year after year, staying at pinnacle for more than a decade now.

The school has produced IAS officers, research scientists, engineers and doctors.

With its one student one goal programme it has successfully implemented the process of identifying a student's prospective career early in their age.
