

## Mega Free Medical Camp Concludes Successfully at Devachan Campus

Leh, May 14, 2026: The Mega Free Medical Camp organised in connection with the ongoing Sacred Exposition of the Holy Relics of the Tathagata Buddha concluded successfully today at the Mahabodhi Karuna Charitable Hospital, Devachan Campus, Leh, witnessing significant public participation.

The medical camp was organised by the UT Administration in collaboration with the Mahabodhi International Meditation Centre (MIMC) and SNM Hospital to provide healthcare services and medical consultations to devotees, pilgrims and local residents visiting during the sacred exposition.

A large number of patients availed various consultation and healthcare facilities provided by teams of doctors and healthcare professionals deputed for the camp. The initiative also served as an important public welfare outreach by extending accessible healthcare services to visitors and residents.

The camp formed part of the public service initiatives being undertaken alongside the Sacred Relics Exposition in Ladakh.
