

SDM Nubra Conducts Enforcement Drive Against Banned Single-Use Plastics at Diskit

Nubra, July 4, 2026: In compliance with the directions of the UT Administration and under the instructions of the Deputy Commissioner, Nubra, Sh. Jigmet Raftan, JKAS, Sub-Divisional Magistrate, Nubra, conducted a special enforcement drive in the Diskit market area along with the

enforcement team to ensure the strict implementation of the ban on single-use plastics.

During the drive, inspections were carried out at various wholesale establishments to check the use, sale, storage and distribution of banned single-use plastic items. The team also created an awareness among wholesalers and shopkeepers on the ban on single-use plastics and highlighted the importance of complying with the regulations.

The SDM directed all wholesalers and shopkeepers not to sell, store or distribute banned single-use plastic items. He further warned that strict legal action would be taken against anyone found violating the ban during future inspections.
