

SDM Zanskar launches Sampoornta Abhiyan in Karsha block at -19°C

Zanskar, February 04, 2026: Sampoornta Abhiyan 2.0 under the Aspirational Block Programme, an initiative of NITI Aayog, was formally launched at Karsha Block, Zanskar. The Abhiyan is being implemented for a defined campaign period from 28 January 2026 to 14 April 2026, with a focused and time-bound approach towards saturation of key development indicators.

The public launch was held on 2 February 2026 under the ABP-Block Karsha, and was formally launched by Sh. Omkar Rajendra Gundage, IAS, Sub-Divisional Magistrate, Zanskar, despite extreme climatic conditions with the temperature dipping to –19 degree Celsius.

The launch event was attended by Sub-Divisional level officers, officials associated with the Aspirational Block Programme, frontline workers, Nambardars, PRI representatives including former BDC members of Karsha, and a large gathering from the general public of Karsha Block.

Sampoornta Abhiyan 2.0 aims to achieve 100 percent saturation of Key Performance Indicators (KPIs) in a time-bound manner across priority sectors such as Health & Nutrition, Agriculture & Allied Sectors, and Education, through enhanced community participation, awareness generation, and convergence of departmental efforts.

During the event, an introductory briefing on the objectives, indicators, and implementation strategy of the Abhiyan was presented by the BDO, Karsha. This was followed by sector-wise briefings from the concerned Nodal Officers of line departments, who sensitized frontline workers and participants regarding their respective roles and targets.

While addressing the gathering, the SDM, Zanskar emphasized the importance of Sampoornta Abhiyan 2.0 in strengthening last-mile service delivery and directed all line departments to actively engage in field-level activities to ensure effective outreach to every eligible beneficiary. He also congratulated the entire Karsha Block team for their outstanding performance in securing the top position in the Delta Ranking of NITI Aayog, and expressed his gratitude to the general public, PRI members, and all stakeholders for their continued cooperation and collective efforts.

The successful launch of Sampoornta Abhiyan 2.0 reflects the strong commitment of the district administration, field functionaries, and the community towards achieving inclusive, accountable, and outcome-driven development in Karsha Block.
