

Padum-Darcha road officially reopened for traffic

Kargil, April 08, 2025: The Padum-Darcha road has been officially reopened for traffic today after a prolonged winter closure due to heavy snowfall.

The reopening was made possible with the joint efforts of District Administration Kargil, Zaskar Sub-Division Administration, and Lahaul-Spiti Administration and BRO.

During the reopening ceremony, officers and officials from the Border Roads Organisation (BRO) and District Police Kargil were present.

Traffic movement on the route will now be permitted as per the issued advisory and subject to prevailing weather conditions. The general public is requested to travel strictly in accordance with the advisory for their safety and convenience.
