

Delegation from Darchiks calls on CEC Kargil, seeks completion of pending road construction

Kargil, March 25, 2025: A delegation from Village Darchiks, led by Nominated Councillor, Regzin Gurmath today called on Chief Executive Councillor (CEC), Ladakh Autonomous Hill Development Council (LAHDC) Kargil, Dr. Mohd Jaffer Akhoon urging the immediate intervention for the completion of an ongoing road construction project in their village.

The villagers also pointed out the extensive damage caused to their Bandobasti land and the irrigation Khul during the construction process. The destruction of the irrigation Khul has severely impacted agricultural activities, as it served as the primary water source for irrigation.

The delegation emphasized that these damages are irreparable and have worsened the hardships faced by the local farming community.

The delegation requested the CEC's urgent intervention to direct the concerned department to resume and complete the road construction at the earliest.

The CEC assured the delegation that their concerns would be addressed, and necessary steps would be taken to expedite the pending work.
