

## District Hub for Empowerment of Women Launches Beauty Parlour Training Program in Leh.

Leh, July 19, 2025: District Hub for Empowerment of Women, under the Beti Bachao Beti Padhao initiative, has launched a one-month skill development training program on beauty parlour services for unemployed youth in Leh district.

The program aims to empower women by providing them with employable skills and fostering economic independence.

A total of 15 unemployed women are currently undergoing training at Princess Saloon, under the expert guidance of Beautician Ms. Padma Chosdon. The comprehensive training program covers essential beauty techniques, including threading, waxing, pedicure, manicure, hair spa, hair cutting, and hair coloring.

This initiative is a significant step towards promoting skill development and empowering women in Leh district, enabling them to pursue sustainable livelihoods in the beauty and wellness industry.
