

## **Students of UOL Kargil Campus completes NSQF course on “Foundations of Information Security” conducted by NIELIT Kargil**

Kargil, April 02, 2025: Furthering the mission to equip students with critical and high demand Industry 4.0 skills, fifty-two (52) students of Kargil campus University of Ladakh took part in the 90-hours National Skills Qualifications Framework recognized course “Foundations of Information Security” conducted by the NIELIT Kargil.

The students were felicitated with NIELIT backpacks and pen drives at the august hands of the officiating Incharge Administration Kargil Campus, Dr. Gh. Ali (Coordinator Department of Chemistry). Others present on the occasion were, Mr. Mohsin Ali (Coordinator Department of Zoology), Dr. Qudsia Tabassum (Coordinator Department of Forensic Sc.), Dr. Rachit Gupta (Assistant Professor, Department of CS & IT) and Mr. Anwar Hussain (Assistant Professor, Department of CS & IT), faculty members at the Kargil Campus University of Ladakh.

Speaking on the occasion, Dr. Gh. Ali congratulated the students on their successful completion of the course. He highlighted the increased demands for such skills in the contemporary era and urged the students to further strengthen the skills obtained in the course. He expressed his gratitude to the Hon’ble Vice-Chancellor University of Ladakh Prof. (Dr.) Saket Kushwaha for his dynamic leadership that have enabled the students to opt for such high-value in-demand courses at the University of Ladakh.

He further expressed his deep gratitude to the Director NIELIT Ladakh Shri Phuntsog Toldan for his proactive role in initiating this highly beneficial collaboration in the interest of the students of the region. He stated that the thoughtful act of NIELIT Ladakh for facilitating the students with backpacks and pendrives will go a long way to encourage the students to further upskill themselves.

He stated that the visionary leadership of Prof. Kushwaha complemented by the enthusiasm of the students to get themselves ready for the future has become a hallmark of the university of Ladakh. Coming onboard of the NIELIT Ladakh has further strengthened the determination of the students to upskill themselves without the need to leave their home state.

He also thanked the Incharge Administration Kargil Campus, Dr. Mehboob Ali for taking concrete steps to ensure that the students of the campus are ready for the world with the required skillset. He also thanked the authorities at NIELIT Kargil Kargil for enabling the complete conduct of the course as well the timely conduct of the certification examination. He appreciated the faculties of NIELIT Kargil for their wholehearted and sincere efforts in upskilling the students of the Campus.

The event was conducted by Mr. Anwar Hussain, Assistant Professor (CS&IT) Kargil Campus. He briefed the guests about the program and stated that two such high-value certification programs were conduct by the department of Computer Science & IT in collaboration with the NIELIT Kargil for the benefit of the students wherein over eighty (80) students took part.

Fifty-two students took part in the 90 hour “Foundations of Information Security” course. He further informed that the NIELIT Ladakh Director Sh. P. Toldan has expressed his desire to provide more such upskilling courses to students of Ladakh by collaborating with the University of Ladakh, as NIELIT Ladakh is firmly committed to up skill the next generation of Ladakh.

Mr. Anwar Hussain also delivered the vote of thanks and thanked Prof. Saket Kushwaha Hon’ble Vice Chancellor University of Ladakh, Sh. P. Toldan Director NIELIT Ladakh, Dr. Mehboob Ali Incharge Administration Kargil Campus, Mr. Mohd Hassan, Incharge NIELIT Kargil, Mr. Mehboob Hussain Admin NIELIT Kargil and faculty members of NIELIT Kargil & Deptt of CS&IT, Kargil Campus for their wholehearted support in making this course a success. He congratulated the students on the successful completion of the course.
