Khaltse, August 12, 2026: As part of the Har Ghar Tiranga campaign, rallies were organised at various Anganwadi Centres (AWCs) across Sham District to spread the message of patriotism, national unity and pride in the national flag.

Anganwadi workers, children, CDPO and staff actively participated in the rallies, carrying the Tricolour and raising patriotic slogans. The initiative aimed to encourage greater public participation in the Har Ghar Tiranga campaign and inspire citizens to proudly display the national flag at their homes.

The enthusiastic participation of children and community members reflected a strong spirit of patriotism and collective responsibility towards the nation. The campaign also provided an opportunity to create awareness among the younger generation about the significance and honour of the National Flag.
