

Outreach Programme “Mimangs-Si-sJabstogs – Administration at Your Doorstep” Held at Choglamsar

Leh, December 8, 2025 : A special outreach programme titled “Mimangs-Si-sJabstogs – Administration at Your Doorstep” was held today at the Community Hall in Gongmaling, Choglamsar, under the supervision of Nodal Officer Smt. Kunzang Wangmo, Chief Horticulture Officer, Leh.

The initiative aimed to bring government services, welfare schemes, and grievance-redressal mechanisms directly to the public, ensuring last-mile delivery across key developmental sectors. A total of 22 officers and officials from various departments attended the camp and interacted with residents from Gongmaling, Tashi Thongsmon, and Korzokling.

Around 75 citizens participated, receiving information on schemes related to Agriculture, Horticulture, PHE, PDD, PWD, Education, Health, Food & Supplies, Rural Development, Animal Husbandry, and bank-linked financial and insurance services.

During the camp, departmental officers facilitated on-the-spot registrations for beneficiary-oriented schemes. The Public Health Engineering Department handed over three water-testing kits to area representatives to support water-quality monitoring under the JJM scheme. Additionally, four Aadhaar cards were updated on site, enabling easier access to essential services.

The programme strengthened coordination between the administration and the public, reinforcing the government’s commitment to transparent and participatory governance. The event concluded with an interactive session, where residents shared feedback and suggestions. A formal Memorandum of public demands and recommendations was submitted for onward submission to the Deputy Commissioner/CEO, LAHDC Leh.
