

## Zonal Level Science & Mathematics Quiz Competition for Elementary Schools held at Khaltse Headquarters.

Khaltse, September 20, 2025: A Zonal Level Science & Mathematics Quiz Competition for the elementary level was held today at Khaltse Headquarters, with the participation of 21 teams representing various Government High and Middle Schools of the zone.

In the competition, Government Middle School Yulchung secured the 1st position, followed by Government High School Tia in the 2nd position, and Government Middle School Saspol in the 3rd position.

The event was graced by Zonal Education Officer (ZEO) Khaltse, Nawang Namgail, as the Chief Guest. He distributed prizes to the winners and, in his concluding address, congratulated the winning teams while appreciating the efforts of all participants. He emphasized that true success lies not only in winning but in learning and participation. He further encouraged students to continue questioning, exploring, and nurturing their curiosity.
