

## State Level India Skill Competition 2025 for Beauty Therapy held at GDC Kargil

Kargil, November 28, 2025: Government Degree College (GDC) Kargil today hosted the State Level India Skill Competition 2025 in beauty therapy. The event aimed to enhance professional expertise among youth while promoting employability and entrepreneurial opportunities in the beauty and wellness sector.

The programme was graced by Principal GDC Kargil, Disket Angmo, UT Nodal Officer Skill Courses, Higher Education Department UT Ladakh, Dr. Javed Iqbal, and Convenor Skill GDC Kargil, along with the beauty instructors and jury members.

The competition featured both theoretical and practical assessments, where participants showcased their understanding of beauty therapy concepts as well as hands-on skills in skin care, makeup techniques and client handling.

Speaking on the occasion, the jury members highlighted the increasing scope of beauty therapy as a source of income and financial independence, especially for skilled youth and women. They encouraged students to take advantage of such platforms, stating that skill-based careers in the beauty industry hold immense potential for self-employment, professional establishment and creative growth.

They encouraged students to engage in similar opportunities to build confidence, expertise and a strong career foundation in the beauty and wellness domain. The winners at the state level will advance to the regional competition, followed by the national, Asia, and WorldSkills stages.
