

District Hub for Empowerment of Women, Leh - Mission Shakti Launches Six-Month Physiotherapy Program for Differently-Abled Students

Leh, July 8, 2025: District Hub for Empowerment of Women, Leh, under the scheme Beti Bachao Beti Padhao initiative, has launched a six-month physiotherapy program for differently-abled students at PM Shri Government High School, Chuchot Yokma.

The program, led by Dr. Stanzin Angmo, aims to support students with Down syndrome, Autism, and Intellectual Disabilities through specialized therapies.

The initiative includes various therapeutic approaches such as Balance therapy, Occupational therapy, Electrotherapy, and Exercise therapy to improve the students' physical and cognitive well-being. This program reflects Mission Shakti's commitment to empowering vulnerable communities through inclusive and holistic support.
