

LAHDC Kargil and LEDeG Deliberate on Strengthening Ecological Cooperation Ahead of MoU

Kargil, December 12, 2025: The Hon'ble Chairman and Chief Executive Councillor, LAHDC Kargil, Dr. Mohd. Jaffer Akhoon, today held a meeting with representatives of the Ladakh Ecological Development Group (LEDeG) to discuss collaborative ecological initiatives and the proposed Memorandum of Understanding (MoU), which is expected to be formally signed in the near future.

During the meeting, LEDeG presented key components of their Waste Flow Diagram (WFD) methodology, including sample selection, household waste-generation assessment, segregation of wet and dry waste, safety and hygiene parameters, and overall analysis techniques.

Dr. Akhoon appreciated LEDeG's continued contribution to environmental protection and acknowledged their commitment to improving ecological standards in Kargil. He emphasized the need for cooperation, coordination, and a result-oriented approach as both sides work toward finalizing the MoU.

The CEC also e-launched the upcoming book titled "Waste Flow Diagram", designed to support local bodies in enhancing waste-management efficiency, and assured full support for initiatives that promote sustainable development and improved waste-management practices around Urban vicinity.

The meeting was attended by Executive Councillor Kacho Mohammad Feroz; Executive Councillor Er. Ponchuk Tashi; Councillor Town Haji Abass; Councillor Poyen Mohd Amin; Councillor Baroo Adv. Khadim Hussain; Executive Engineer Mechanical, senior members of LEDeG, and officials from Municipal Committee Kargil.
